1. Scans made by the IAI are solely for personal or research purposes, taking into consideration any copyright restrictions that may apply. Passing on these materials to third parties and using them in public performances or for commercial purposes is prohibited.
2. Restrictions relating to particular materials are governed by §14 (reading room / reading room collection), §15 (special library materials) and §22 (photocopying) of the Terms of Usage
3. Texts or images are scanned with 300 dpi and saved as PDF or JPG files, unless otherwise agreed.
4. If other institutions have already digitized the documents, these copies will be used in the resolution available. In this case, it is not possible to select the resolution quality of the scan.
5. The quality of scans depends on the quality of the original.
6. Please fill in all the fields on this form and hand it in at the circulation desk. If you do not provide us with all the necessary information we will not be able to process your request. Please describe the pages/section of the medium you wish to have scanned as precisely as possible.
7. Please note the costs for scanning services (see the price list for reprographic services):
Scanning services
